

# Knowledge Bank: Year R– What makes me marvellous?

Personal, Social and Emotional Development focus

## Key Vocabulary:

Family - people who I live with and some people in my family don't live with me.

Home - where I live.

Classroom - the room at school where I play and learn.

Teacher - a safe adult who helps me learn new things.

Playground - area where I play outside at school.

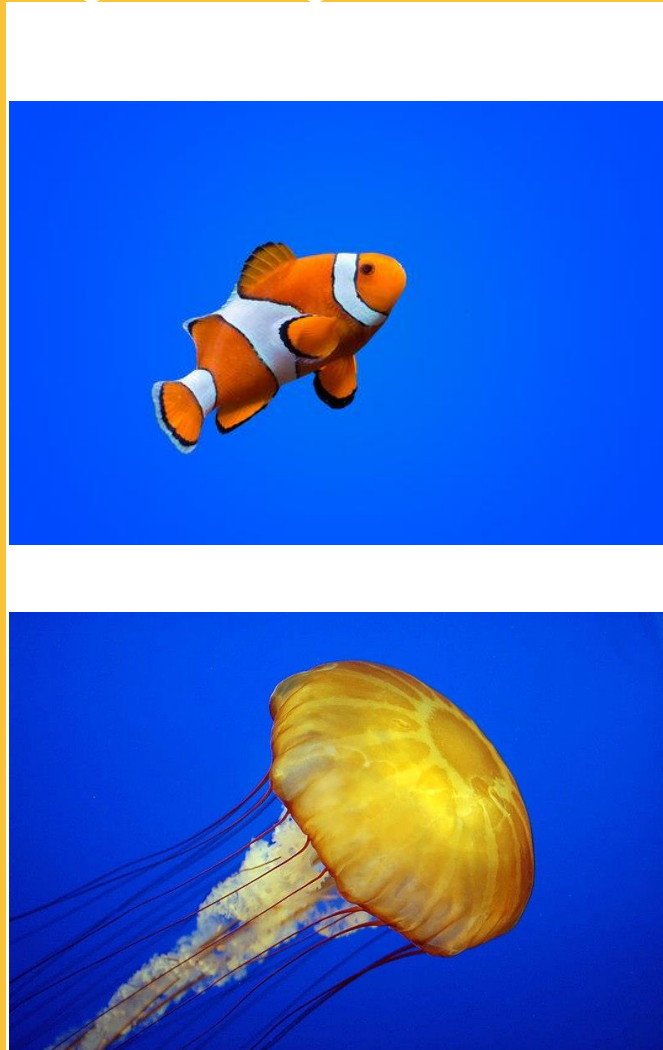

Hobby - a club you go to or an activity you enjoy outside of school.

Interest - things you like inside or outside of school.

## What I should already know:

The children should already know their class name and have met the familiar adults in school who will help them learn.

## Diagrams/Images:

## Key Facts:

*By the end of this topic children will:*

Talk about their family and home life confidently.

Be familiar with people and places in school.

Separate confidently from their parents.

Share their feelings and emotions with familiar adults in school.

Talk about their hobbies and interests inside and outside of school confidently.
